Re: Felysha L. Koran  
Bankruptcy Case No: 19-36970-cgm

This office represents the Secured Creditor, SN Servicing Corporation, as servicer for U.S. Bank Trust National Association, as Trustee of the Igloo Series IV Trust in the above referenced action. Pursuant to the court's loss mitigation order entered on January 8, 2020, please let this letter serve as a status report and summary of what has transpired between the parties.

The Creditor Loss Mitigation Affirmation was filed on October 15, 2020. Secured Creditor advised that they would be willing to review based on the documents that the prior servicer possessed prior to the service transfer, however, Secured Creditor noted that the Debtor is not on the loan documents for this property and therefore the Secured Creditor would need additional documents (i.e. a Recorded Deed or Will and proof of relation to the Deceased and ID docs for successor in interest (SII) and Social Security Card) as well confirmation that the Debtor would assume the loan, should a modification be offered.

On October 20, 2020, Debtor's Attorney advised that the Debtor will be assuming the loan, however, as of today, the requested documents have not yet been provided.

**Please feel free to contact our office should you have additional questions.**

Sincerely,

Dated: November 2, 2020
